

Your appointment for a \_\_\_\_\_ has been scheduled for \_\_\_\_\_ at \_\_\_\_\_.  
Type of Procedure Date of Procedure Time

Please arrive 40 minutes prior to this scheduled appointment time to complete required paperwork.

Please remember to bring your insurance cards and photo ID to your appointment.

## Movi Preparation

**Follow these instructions for colonoscopy preparation. Failure to take the prep as indicated below may result in a poorly cleansed colon and possible cancellation of the procedure.**

A responsible person accompanying you will be asked to sign the After Care Instructions at the time of discharge. It is preferable that your driver remain in the ASC waiting area until you are discharged. Allow yourself two (2) hours for procedure, however average time is 45min to 1 hour.

Please do not wear perfume, cologne, after shave, scented lotions, or lipsticks.

Please remove ALL jewelry (including piercings) prior to arriving for your procedure. IMG is not responsible for any lost or misplaced items.

If you take any of the following medications, you must stop taking them **five days** prior to your procedure unless otherwise specified:

- Aspirin or other medications containing Aspirin
- Arthritis medication
- Fish Oil
- Omega 3
- Omega 369
- Flax Seed (Omega 6 fatty acids)
- Vitamin E
- Iron Supplements
- Blood Thinners

If you are Diabetic, follow instructions that were given by scheduler.

No Smoking, Gum Chewing or Tobacco Chewing after Midnight

**Special Instructions From Your IMG Physician:** \_\_\_\_\_

---

### 3 days before your procedure:

- Do not eat foods high in fiber such as whole grain breads and cereals, fruits, nuts, popcorn or vegetables (cooked or raw).

---

### The day before your procedure:

**Step 1:** When you wake up, mix solution according to instructions and refrigerate. Follow a **clear liquid** diet the *entire* day before your procedure. Acceptable clear liquids are listed below:

**Clear Liquids include:**

- *Water, Carbonated Beverages, 7-up, Sprite or Gingerale*
- *Coffee without cream, decaffeinated coffee, tea, decaffeinated tea*
- *Fruit flavored drinks (CLEAR kool-aid)*
- *Clear juices (apple, white grape, white cranberry, lemon)*
- *Clear fat-free broth, chicken or beef*
- *Clear flavored gelatin (JELLO) - Yellow or Green*
- *Fruit ice, popsicles - Yellow or Green*
- *Sugar, honey, syrup, sugar substitutes, hard candy*
- *Energy drinks (Gatorade, Exceed) - Yellow or Green*

*DO NOT eat anything red, or containing red dye.*

*AVOID flavors such as: strawberry, cherry, watermelon, peach, grape and orange*

*NO solid food, NO milk products, NO orange juice*

**Step 2:** Beginning at 6:00pm, you will drink the first dose. The MOVI prep container is divided by 4 marks. Every 15 minutes, drink the solution down to the next mark (approx 8oz), until the full liter is complete. Drink 16oz of clear liquid of your choice. After drinking the entire dose, mix bottle again and refrigerate overnight.

---

### The day of your procedure:

**Step 3:** Beginning at \_\_\_\_\_ (4 hours before your appointment) Drink the second dose of MOVI. Drink the solution down to the next mark (approx 8oz), until the full liter is complete. Drink 16oz of clear liquid of your choice.

Nothing by mouth after second dose, until after your procedure.
